JONATHAN JAGER
Phone: (843) 597-4807
Email: justcodejager@gmail.com

Objective: Seeking employment with promising/ growing company.

Consideration: Why should I be consider? I believe that knowledge is good, but limited. Not only do I have knowledge, but the zeal to learn. I have a passion to build within a community that envisions doing the impossible! I am a fast learner, self-starter, able to effectively communicate my ideas and value the virtues of collective efforts to accomplish a goal. I am looking forward to growing within this community.
